Objective

Experienced UI Web Developer with a proven track record of success during a 6-month internship, now seeking a dynamic role within a challenging environment to further apply and enhance my skills. Eager to contribute my proficiency in HTML, CSS, ReactJS, MongoDB, and Node.js to drive innovation and growth within an organization that values creativity and teamwork.

Experience

- **CodePrism Technologies**   01/06/2023 - 31/08/2023
  Front-end React developer Intern
  • Developed and maintained responsive user interfaces (UI) by using React.js and JavaScript
  • Implemented and optimized frontend features, improving the overall user experience of web applications.
  • Designed and developed interactive "UNSTOP Project" by using React.js ,Javascript and Material UI.

  Github Link : https://github.com/ShahCodeCraft/unstopclone.github.io

- **NareshIT Institute Hyderabad**   01/01/2023 - 31/05/2023
